If you are using a purchase order, a copy of the purchase order must accompany your survey order. Your request cannot be processed without this information. If your organization does not use a purchase order system, a memo on your organization's letterhead acknowledging responsibility for the cost of the survey service will suffice. You will be invoiced for your surveys and report(s) upon receipt of your order. If you wish to be invoiced separately for your report(s), a second purchase order must be sent in addition to a purchase order for the surveys.

600 or more packets (15,000 or more surveys) = $50 per packet

SURVEY RETURN POLICY:

- Surveys must be returned within 18 months from purchase to receive a refund and are subject to a fee of $1.25 per pack returned.
- All returned surveys must be in their original, shrink-wrapped packaging. The security seal on each survey packet must be intact. Survey packets with broken seals will not be refunded.
- Canceled surveys are subject to a $100 administration fee.

** SUB-REPORTS: Sub-reports are the same format as the aggregate report, but are based on a sub-set of youth completing the survey. For example, an individual school within a district may choose to have their own students' data reported separately in a sub-report as well as being included in the aggregate report. If you plan to order sub-reports now or at a later date, please be sure to separate your surveys and label each batch clearly as to which group the surveys belong to. Separating them is necessary for us to provide sub-reports, but does not commit you to order sub-reports.
