

Developmental Assets

The Power of One, The Power of Many

FORMAT: FULL DAY, HALF DAY, OR BREAKOUT

Everyone can play a part in helping youth thrive. The Developmental Assets framework provides a broad perspective on the strengths and resources of young people. This workshop will introduce the 40 internal and external factors which protect against risks and promote thriving for youth, and the Search Institute research that informs them. Highly motivating and interactive, *Developmental Assets: The Power of One, The Power of Many* explores what each of us can do to foster Assets in the lives of youth.

PARTICIPANTS WILL

- Learn about findings related to youth thriving from Search Institute's research on Developmental Assets
- Identify qualities of individuals who play powerful roles in the lives of young people
- Discover opportunities in your everyday life to make a positive difference for youth
- Make a personal commitment to actively build Assets in the lives of young people
